

A conceptual image for online shopping behavior analysis. It features a miniature metal shopping cart filled with several colorful paper shopping bags (yellow, blue, and orange) resting on a laptop keyboard. A speech bubble containing the title 'ONLINE SHOPPING BEHAVIOUR ANALYSIS' points to the cart. In the bottom right corner, a button labeled 'CLICK HERE' is visible. The background is a blurred laptop screen with a warm, golden light effect.

KEY INSIGHT

- Home is the top-performing category.
- Beauty shows the lowest sales.
- Most categories have stable performance.
- Improvement needed for low-demand categories.
